3. What do I get as a sponsor?

For your sponsorship you will be showcased on Gojotekicon.com as a sponsor. You will be included in program guides. If you choose to provide it, we can erect your banner along US Route 250 in front of the hotel, where persons exiting I-71 must pass on their way into town. Also if you provide them, we will hang posters up in the convention area showcasing your business. We would encourage you to provide a convention exclusive coupon, to drive business to your location. This can be included in our program guide, along with your advertisement. You will also be included in our visitors map for points of interest.

4. What do I give as a sponsor?

There are multiple ways to sponsor Gojotekicon..

- Provide 2 meals, each for 30 persons. These can be delivered to our location, or picked up by a member of our staff.
- Provide goods. Examples may include lanyards, bags, printed items, or other necessary supplies. What is considered viable can be discussed with a representative of Gojotekicon. The value added must be at or over \$250.
- Pay cash for your sponsorship. For \$250 we can also accept your sponsorship.
- Alternative sponsor levels may be discussed with The Staff at Gojotekicon.

5. General Rules on sponsorship

We will not allow materials that are offensive in nature. Anything that is perceived as marginalizing a group is unacceptable. Any material provided must not degrade any person or group. What is considered offensive is up to the discretion of The Staff at Gojotekicon. All efforts will be made to work out a joint solution between Gojotekicon and it's sponsor.
